

Nip Extortion Plot Against Arlington Bank President

Efficient, fast police work by Deputy Sheriff Arthur A. Bennett and Harold Goodlow of DuPage county Friday nipped a budding extortion plot planned against H. H. Franzen, 72, president of the Arlington Heights National Bank and Itasca State bank.

Working diligently from early Monday morning until Friday, including two nights of tramping through rain-soaked corn fields, Deputies Bennett and Goodlow were rewarded when their clues took them to their prey. Piecing bits of information together here and there, the deputies arrested William H. Edeker, 44, neighbor of Franzen, and charged him with threatening with intent to extort money from Franzen.

Bennett and Goodlow captured their man at a farm south of Itasca where Edeker was helping a friend do some butchering. He was brought before Justice of the Peace Bertram E. Rathje in Wheaton and booked to appear for another hearing December 14. Judge Rathje set bonds at \$5,000 and ordered Edeker to the county jail when he was unable to furnish bond.

Thursday of last week Mr. Franzen received a threatening note which ordered him to put \$1,000 in a corn stalk near Rosenwinkle road at the edge of the village in five days or be "taken for a ride." Since receiving the note, Mr. Franzen had been in a highly nervous state of mind.

Monday of this week was the fifth day and Mr. Franzen was ready to meet the demands stated in the note. But he turned the document over to Sheriff Hoffman and Bennett and Goodlow were immediately dispatched to work on the case.

Edeker is married and the father of a 15-year-old boy.

Sheriff Elmer Hoffman said that Edeker signed a statement in the presence of Bennett, Goodlow and himself, confessing the extortion plot. Asked why he did it, Edeker replied, "I don't know why I did it."

He admitted also that he drove by the spot designated in the note several times, but never stopped. Bennett and Goodlow stuffed a gunny sack into the corn shock as a decoy in the event Edeker would stop and attempt to get the cash. The Edeker property adjoins that of Franzen in Itasca. They were reported to be the best of friends and Mr. Franzen said he was shocked to discover it was Edeker who sent him the note.

Bennett and Goodlow, in the course of their investigation, prowled around Itasca and picked up bits of information and managed to get a sample of Edeker's hand writing, which had a striking similarity to the written note, although authorities are of the opinion the extortion note was written with the left hand.

"I was up against it and I knew Franzen had a lot of money," Edeker told Deputy Bennett. "The \$1,000 would have enabled me to buy food for my family and a few presents for Christmas. But I was wrong, I guess. Now they will have nothing."

Arlington Collects From Sweitzer Redemption Fund

Special assessment accounts of the village of Arlington Heights are \$3,000 better off as the result of efforts made by the municipal officials to collect monies collected by the late Robert Sweitzer and placed in the redemption fund.

This fund became depleted and was the basic cause of criminal charges and later civil cases against his estate and his bondsmen. His bondsmen recently paid into the fund an amount sufficient to pay eighty per cent of the money due the taxing bodies of Cook county.

Arlington Heights share was \$3,000 and a check for that amount has been turned over to the village treasurer by Attorney Hago J. Thal, village attorney.

Arlington Heights is fortunate in that no greater amount was due the municipality. The treasurer's office had made a practice of checking the books of the county treasurer every year and the amount due the village when Sweitzer retired from office comprised only six months collections. Some villages had not collected for several years. Their money lying dormant in the account made possible the illegal use of many thousands of dollars.

Turkey Shoot Again Sponsored By N. W. Sportsmen's Club

Thrills of a turkey shoot will once again draw large crowds to the Northwest Town Sportsmen's club events at the Mt. Prospect Country club, Saturday and Sunday.

The first shoot sponsored by the club this fall attracted so many eager fans of the sport and so large an audience that another contest, with prizes, has been scheduled.

Dressed turkeys, geese, and ducks will be given away. The contest will be held Saturday afternoon and all day Sunday.

"Come and shoot in your own class," says Paul Stoud, president of the organization.

Firemen Are Royal Hosts To Visitors

125 Fire Fighters
Have a Night Off
In Arlington Heights

Perhaps it was the big fire truck that Arlington owns, perhaps it was the reputation for entertainment that Arlington Heights firemen possess, but then again, perhaps the loyalty of the firemen, themselves, for their organization that was responsible for the large crowd of firemen from northern Cook county that held its December meeting at Arlington Heights, Monday evening with Chief Geo. K. Volz and his boys as the hosts.

Anyway, they came early and stories say that it was only when the janitors began to move the seats that the visitors decided it was time to go home.

A number of the visitors came for the purpose of inspecting the new fire truck, whose fame has gotten around a bit in the firemen's world. That truck, at \$8,000 represents a lot of value and excites the envy of more than one visitor that evening.

Each succeeding host to the monthly firemen meetings attempts the unusual in entertainment. Arlington Heights topped all previous meetings with the Rhythm quartette, composed of Ralph Stippick, Ralph Backley, Otto Doerr and Louis Klages. They were the life of the party and with Alderman Adam and his harmonica, there was a program that would have excited the envy of even Major Bowes.

Chief Nole, of Cicero spoke on the firemen's pension bill, which will be placed before the legislature again next year. The bill provides:

Pension for firemen at the age of 55-60 who have served twenty years as a member of a paid or part paid department.

Pensions to be at half of regular salaries, but not more than \$20 a month or less than \$25 a month.

Funds to come from tax on all insurance premiums, 2% of salaries of those receiving over \$50 a month and \$4.00 per year from all other firemen.

State to contribute \$100,000 to a reserve fund.

Firemen to come under the law must attend at least 25% of all fire alarms and attend at least 40% of all practice drills.

Earl Fredrichs Band To Play For Mayor Kelly

The music-loving public, not only of this vicinity, but of the entire Chicago area, will learn with pleasure that Earl Fredrichs and his orchestra will appear on Mayor Kelly's Christmas program, "The Night of Stars" at the Chicago Stadium, December 21.

Many other prominent musical organizations, well known throughout the middle west, have also been engaged to contribute to the "outstanding of melody" for this gala occasion. Under the added inspiration provided by this artistic setting, the many followers of the local band assume that the Earl Fredrichs orchestra will surpass their previous brilliant performances.

District 26 Votes \$1500 Bonds To Remodel School Building

Voters in District 26 on Foundry road, voted Monday evening to issue bonds for \$1,500 to remodel the present school structure to provide an additional school room. Present enrollment numbers 50 with the further development of subdivisions further increase is certain.

The additional room will be made possible by removal of library, cloak rooms, etc. Margaret Greenberg is the present instructor at the school.

Announces Special Mail Service

Collection Box
At Depot; Special
Hours At Postoffice

Virginia Dodge, Arlington Heights postmaster, announced this week changes in location of collection mail boxes and special hours for mail service at the postoffice during the Christmas season.

For the benefit of commuters a mail box is now stationed at the railroad station, from which mail will be collected at 8:10 a. m., 10 a. m., 2 p. m. and 4 p. m. daily. This mail is sorted at the local postoffice and dispatched by flier service, which means that letters dropped in that box will be accorded faster service than letters dropped in Chicago mail boxes after the commuter reaches Chicago.

A new box has been erected at State and Euclid as a more centrally located point than at Evergreen and Euclid, which box has been discontinued as well as the box at Hawthorne and State.

These boxes are placed at their locations as a matter of service to the public. Records show that at the present time, comparatively few people make use of the mail boxes. The changes in locations make the boxes easier accessible to a greater number of residents.

Indications are that the Christmas mail will be heavier than usual this year and it is important that the average person mail early. To facilitate the dispatch of packages and Christmas cards, the following special postoffice hours have been arranged, commencing December 17 and continuing until December 24.

Post office will open at 7:30 a. m. for the sale of stamps and the mailing of parcels, and continue open until 8 p. m.

Persons using 1½¢ stamps on their mail should mail it earlier than mail bearing 2¢ and 3¢ stamps, for the former is not first class mail and consequently does not receive first class service at any Post Office or on any trains. Because of the reduced rate, this mail travels slower.

Parcel Post may be sealed, provided no writing is enclosed and a printed label stating that the parcel may be opened for Postal inspection is attached.

Since no deliveries will be made on Christmas Day nor on December 26, persons desiring mail to be delivered on those days should use Special Delivery service. Parcels, as well as letters may be sent Special Delivery. It is particularly advisable to add a special delivery stamp to air mail letters to insure immediate delivery upon arrival.

The Post Office Department asks for cooperation in the mailing of parcels; wrap them securely, write plainly, and be sure each parcel bears a return address. It is not mailable without same. Parcels should be addressed only on the side bearing the stamps. One plainly written address is sufficient.

Purchase your stamps in advance. No carriers are allowed to collect money and affix postage.

Prospect Heights Lad, 11 Years Old, Struck By Hit and Run Driver

Raymond Little, 11 years old, was struck down by a hit and run driver while he was riding his bicycle near his home on McDonald rd., Prospect Heights, last week. He was able to walk to a nearby service station from which he was taken to the Mt. Prospect hospital. He was transferred to the St. Francis hospital, Evanston, where it was determined he had a compound fracture of one arm.

Evangelical Churches Plan Youth Activity

The pastors of the Evangelical and Reformed church of the Arlington Heights regional conference met in St. John Evangelical church Tuesday morning. This meeting was held for the expressed purpose of discussing the new "set-up" for youth activity within the local church.

The three main sections designed for youth activity are: Christian Life, Education, and Fellowship, and is to be considered a novel but rather practical plan as far as the demonstration is concerned.

Divisional meetings will be held at Bensenville, Elgin, Barrington, and Northbrook during the month of January after which this plan will go immediately into effect.

Start Excavation For High School Addition

Excavation for the addition to the Arlington Heights high school is completed. The material removed was put to a most excellent use as filler which will be needed some time in the future when the unpaved streets between the North-west Highway and Sherwood are completed.

Pirates, Cards In Cage Tilt

Arlington Five To
Make 'Friendly' Call
At Palatine Friday

The game of the year at Palatine is on the schedule for Friday. That is sufficient to let people know who the Pirates' opponents will be. Who else but Arlington could it be? And the Arlington boys will be out to get more than just a cage victory. They will be out to make good for their failure to stop the Pirates in any of last year's four games. The one-sided beatings administered by the Pirates to both Arlington lights and heavies in their last trip to Palatine will certainly not make them any easier opponents. In fact they will probably be the hardest team to beat that Palatine meets.

Need a Victory

Arlington is at a critical point in their schedule. A fine victory over Crystal Lake started the season, but a close defeat at Meigs and a two point win at Barrington has made Arlington desperate for a conference victory. A win over Palatine would even old scores, get the Cards back in the conference race, and give them confidence to repel the invasion of the very tough Bensenville five next Wednesday. Hope To Stay in Race

On the other side of the fence the Pirates regard the game as just as important. The Palatines hope to stay at the head of the conference parade and they must beat the Cards to keep their record unblemished. They have beaten Elia and Barrington by scores of 25-23 in both instances. Both games might have been won easier, but for poor shooting. Arlington likewise has been of consistency. Palatine has been playing a lot longer than Arlington having won six out of nine games to date with the heavies and five out of seven with the lights.

Both Have Small Teams

Both Palatine and Arlington teams of the past have been tall rangy outfits. This year is an exception. Each has a six foot four man in Milligan of Arlington and Buznowski of Palatine, but the rest of the best boys are comparatively short, but fast. In fact Friday's game may be one of the fastest encounters the fans have seen between the schools. Palatine has a lot of respect for the speed and aggressive play of Capt. Mayer, O'Hagen, and Koelling. On the other hand, the Pirates' sophomores Snyder, Hollinger, and Hahnfeldt teamed up with Fink, a junior, make an equally good combination.

The lightweight may also be rather evenly matched. Both beat Barrington and played close games with Niles. Palatine beat Niles 9-6. Arlington lost to them 21-19 in an overtime. Greater experience may tell in Arlington's favor though. The Pirates play with a bit of flair. Whoever wins it is likely that both games will give the fans their money's worth in thrills and both coaches hope they will see some good basketball as well.

Cook Farm Bureau

Wins U. S. Award For
Increase In Membership

The annual meeting of the Cook County Farm Bureau at LaGrange last Thursday, was very well attended. The reports of all of the departments — insurance, Farm Supply, 4-H — showed a healthy growth and increase for the past year.

Cook county was signally honored at this meeting by receiving notice that Cook county had won in a contest of counties in the United States for the largest numerical increase in membership. A bronze plaque will be awarded Wednesday, December 14, at the annual meeting of the American Farm Bureau Federation to Cook county.

A group of Farm Bureau people, including C. H. Mills, Harvey Adair, Jacob Ouwenga, and Wm. Rengel, plan to go to New Orleans to receive this award.

WLS artists were on hand to furnish the entertainment and Talmage DeFrees, vice president of the I.A.A., was the principal speaker.

Free Show For Kids

At Arlington; Just
Bring Goods For Needy

The Arlington Theatre is teaching the youngsters of the community to help the less fortunate in their second annual Christmas drive for canned goods by giving a show to the kids with the price of admission an article of canned goods.

Saturday afternoon the theater is opening its doors to every boy and girl in town. The management is not requiring that every child bring something to get in, but it is expected that everyone will do their best. All the goods will be turned over to the Arlington Heights American Legion for distribution.

The theater is calling upon every child in the village to help break the record established last year of 1,500 pounds of food collected. The theater has promised a fine program for the youngsters. Doors will open at 12:30 with the show starting at 1 o'clock.

Xmas Seal Committee Urge Early Return Of Seals On Contributions

Christmas Seals bought in Arlington Heights aid in making possible the health program here. Any seals you buy elsewhere go to the credit of the county in general. It is good work wherever it is done, but it will help to keep Arlington Heights the healthiest in the county per capita.

Christmas Seals do not pay the salary of our community nurse, but they do help to maintain a health center, clinics, and supplies for a certified Public Health Nurse. Only 25% of the letters sent out at Thanksgiving time have been returned, either with or without contributions. Won't you take care of your letter immediately? The returns at present amount to \$213.86.

Seniors Rate Highest Report Cards Show At Arlington School

Report cards for the second 6-week period were issued last Friday at the Arlington Heights township high school, and an analysis of the grades reveal the fact that the senior class rank all others in average grades, while the freshman class have earned second place. It is not surprising to find the seniors in first place as they are a more selective group, many having dropped out of school who were not strong students during the previous years. However, it is rather unusual to find the freshman class so high in class ranking, and the fact that they do indicate a rather unusual class.

The numerical averages of the classes follow, and an average of 4 signifies an average of "C," while 5 would mean an average of "B."

Class	Number	Average
Senior Class	498	4.98
Freshman Class	484	4.84
Junior Class	465	4.65
Sophomore Class	455	4.55

The percentage of failures in the classes for the past 6-weeks are as follows:

Class	Number	Percentage
Senior Class	16/553	2.9%
Junior Class	13/452	2.7%
Soph. Class	20/525	3.8%
Fresh. Class	22/560	4.0%

Parents are requested to sign and return the cards within two weeks. Any parents who may not be shown report cards should ask for them, and in case the report is unsatisfactory, conferences should be arranged with the teachers concerned during the period from 3:00-4:45 each afternoon. The next date for the issuance of report cards will be after the close of the first semester on January 27.

Scarlet Fever Breaks Out In Arlington Heights

With two cases of scarlet fever among the families who have children attending the elementary school, there is no need for alarm as the health board is watching developments. However, this outbreak brings to the attention of local health authorities the need of a permanent health nurse.

Under present conditions with only a temporary substitute nurse who resides elsewhere, there is no reporting agency to which reports of suspicious cases can be made during other than business hours. Every effort is being made to prevent a spread of the disease, but the parents would feel more at ease if a full time community nurse was on the job.

Motorist Blinded By Train Smoke Kills Highway Walker

Florian Muska, 67 years old, who resided three miles west of Barrington on the Northwest highway, was killed late Thursday afternoon when he was struck by an automobile near his home.

Muska, a veteran blacksmith, was walking along the highway and John Hess, 409 Ave. E., Crystal Lake, driver of the car which struck him, said that the pedestrian was obscured from view by smoke from a passing Chicago & North Western railroad train.

Hurled to the pavement, Muska received a skull fracture and other injuries and was dead when carried into the office of a Barrington doctor.

An inquest was held Friday morning at Barrington and a coroner's jury returned a verdict of accidental death. State police of the Elgin district were notified of the fatality and Patrolman William Gallagher investigated.

Muska had operated a blacksmith shop on the Northwest highway for 47 years.

Arlington Nurses Party Announced For Dec. 27

The Arlington Nurses club announce an after Christmas gathering at the home of Mrs. Paul Carlin, 116 W. Euclid, December 27. A fine program has been arranged. An election of officers will be held on this date also. All graduate nurses are eligible to attend and are cordially invited. Every one is requested to bring 25 cents for the bag bag.

Martin Secures New Sales Location

Frank Martin, who has held stock sales several years at the corner of York and Butterfield rds., south of Elmhurst, has moved two miles west on Butterfield road, where he is opening his weekly sales Saturday with a carload of Wisconsin cows and feeding pigs. Mr. Martin in well known in Cook and DuPage counties.

Edward Busse Of Pioneer Family Dies

Early Mt. Prospect
Resident, Business Man
and Public Official

Mr. Edward Busse, a member of the third generation of the pioneer Busse family, which settled in Elk Grove ninety years ago, passed away Saturday at his home on Emerson st., Mt. Prospect. His death was the first demise among the sons and daughters of the Louis Busse branch of that family.

Born on the Busse homestead, he remained there until 1902 when he joined others in promoting the establishment and development of Mount Prospect. He still owned the Busse farm homestead at the time of his death.

As a co-partner of his brother, William Busse, he was engaged for a period of two years in the grocery, hardware and implement business. After disposing of his interest in that firm, he entered the employ of the Richmond & Smith Mux Agency in which work he remained seven years.

Mr. Busse managed the Mt. Prospect Creamery from 1911 until its closing in 1925, when he retired from active business, finding plenty to keep him busy in managing his business block and other private interests.

Mr. Busse was more than just a business man. He served his church and his community in a number of ways. He was school director of St. John's Evangelical Lutheran church many years. With the forming of the new Lutheran congregation at Mt. Prospect, he was a charter member of the new church and served as a trustee for some time.

He was school director of district No. 57 twelve years and a director of the Mt. Prospect bank from 1911 until 1928.

Deceased had been in failing health for some time and the resulting complications that followed his sudden illness of a week ago, caused his death December 10.

Aside from his immediate family of his wife and two children, there remain five brothers, William, George, L. F., August and Ernst; three sisters, Mrs. Hannah Redeker, Mrs. Sophia Meier, Mrs. Christine Behrens.

'Travelleson' of America at North School; Parents Invited

Sam Campbell, "The Philosopher of the Forest" is coming to the Arlington Heights north school with his latest "Travelleson" called "Here, There and Everywhere," including new natural color motion pictures of the most beautiful scenery and animal life in America. Parents of the school children are invited to attend this unusual program, at 10 o'clock this Friday morning.

In recent years hundreds of thousands of people have heard the inspiring lectures, and seen the superlative pictures presented by Sam Campbell.

Those who attend his lectures never forget them. They are more than mere travel talks, for his views of the world are shaped by a rich insight into nature, and a deep love and understanding of humanity.

For years "The Philosopher of the Forest" has lived in the solitude of northern forests studying the living things of the woods, and thinking clearly on the beautiful things of life. Now, by means of the lecture platform, radio, writing and pictures, he brings to the world the helpful results of his labors.

The Chicago & North Western Railway, route of the "Famous 400" the Streamliners and the Challenging, is sending the program to the school.

FHA Loans To Be Extended To Farm Purchase

Cashiers of nearly all banks in Cook county attended a meeting in Chicago Tuesday afternoon when the FHA announced the extension of the FHA system of insured loans in Cook county to include "part time" acres. Among those in attendance from northwestern Cook county were cashiers Elser, of Barrington; Franzen of Arlington Heights; and Schulze of Des Plaines. Farm Advisor Hughes was also present.

"Under the new plan," stated Mr. Franzen, following the meeting, "funds will be available to aid purchasers of small farms, for which there has been little market in the past. It also provides the way whereby a person who is otherwise employed can secure the finance needed to aid him in purchasing a farm."

Santa Again At Gieseke's Store Saturday Night

Santa Claus had such a good time at Gieseke's store last Saturday evening that he is returning again this Saturday night. He will be there from seven to nine o'clock.

Gieseke's Christmas colorful circular is eagerly watched for each week. The issue mailed this week throughout the community, is brim full of suggestions for Christmas giving. If you did not get yours, ask at the store.

Operation Saves Eyesight Of Young Child, Kane Miller

Dr. Prieto has received many inquiries regarding the condition of Kane Miller, the two months old daughter of Mr. and Mrs. H. Miley. The operation made at the Children's Memorial hospital in an effort to save his eyesight by removal of an infected eye, appears to have been successful, according to information received by Dr. Prieto from the hospital. Microscopic examination show no infection in the right eye up to the present time. The child has caught cold, but is improving in health.

This case is similar to the Chicago baby which received considerable notice in the press, except that the Chicago child lost entire eyesight.

Following the birth of Kane, Dr. Prieto found suspicious symptoms in one eye and recommended that the child be taken to a specialist. Dr. Prieto's worse fears were well founded, but prompt action has in all probability, saved the baby for a life of usefulness.

Arlington Woman Hits Stalled Truck On Higgins, Uninjured

Mrs. Robert Gabel, 516 Banbury rd., Arlington Heights, escaped injury when her car failed to clear a stalled truck on Higgins rd., last Thursday evening.

The truck was parked half on the highway, without lights, according to Mrs. Gabel. The truck driver maintains that the truck suddenly stalled and that he had placed a flare on the road while he called a garage.

Mrs. Gabel was driving alone and could not see the truck until too late when she met an oncoming truck. The side of her car was struck in the impact.

One Week School Vacation for The Holidays

School students who have been expecting two weeks vacation on account of Christmas and New Years are doomed to disappointment. The schools of Arlington Heights will close Friday, December 23, and reconvene Tuesday, January 3. With the holidays on Sunday there is really no excuse for even school kids to expect a longer vacation.

Barrington Loses Approval Of PWA Grant To Aid Water System

The village of Barrington has been advised that the PWA will not approve its request for a grant to aid in the improvement of the water system of that municipality. No more grants will be made in Illinois, was the word that the village president has received from PWA headquarters.

Evidently, the Arlington Heights high school just came under the wire. Wheeling and Palatine's sewer improvement, if they are constructed, must be financed by those municipalities in their entirety.

Machinery Business Picks Up; J. F. Garlisch Rents Garage Bldg.

John F. Garlisch at one time confined his business to the sale of horses. As tractors became increasingly popular, he added international implements and tractors to his line. The business has grown to such an extent that larger business quarters were needed. He has therefor rented the Garlisch garage at the intersection of Higgins, Touhy and Elmhurst rds.

Mr. Garlisch has the assistance of his son, Arnold, and daughter, Mable, who will act as bookkeeper. Al Porep is the mechanic. Mr. Garlisch states that he will be glad to welcome any of his friends at his new place of business.

A lot of complimentary things are being said in Arlington Heights homes this week about the spirit displayed by the local business men in lighting up the business district with colored Christmas lights. The compliments are not restricted to local homes because visitors from other towns are saying some nice things about Arlington Heights.

The \$500 that the lights may have cost is probably the most practical purchase that any group of business men have made in recent years. If the down town decorations can be matched with general home lighting displaying the Christmas spirit, the town will be fairly bubbling over with community spirit.

The purchase of the lights and the issuance of a contract for their installation was done on faith of the board of directors of the Arlington Heights Trade and Civic association in the expectation that the business members will come across with subscriptions to cover the total cost. And they will.

There are no strings tied to those lights by the business men who are paying for them. But in the belief that the citizens of Arlington Heights will be influenced to do as much of their Christmas buying at home as is possible, the merchants have stocked their stores with Christmas merchandise on a larger scale than in any recent years. Advertisements in the Herald tell part of the story. Their stores tell the rest.

Prizes For Home Decorations

The decorating committee has asked the Herald to again remind the residents that prizes will be paid for the best decorated homes in the village. There is no need to make an official entry. Just decorate your residence or lawn. The committee will do the rest.

Even R. R. Install Lights

Perhaps it is a display of the Christmas spirit, but anyway the North Western railroad is installing a few red lights of its own. They are being placed on the crossing gates at the intersection of a year-around Christmas present for the autoists of Arlington Heights.

Still More Lights

When the new traffic signal was installed at the intersection of Vail and Northwest highway, the village took the opportunity to place all the red lights in the town's position as is required by state law. A recent survey in Chicago showed that there was little uniformity as to the position of the red, yellow and green lights. The state law was designed as a protection to those who are color blind. The top light on any traffic pole is supposed to be red and means "stop" regardless what color it appears to be to the traveling motorist.

LETTERS to the Editor

So Arlington met a "Consul"
turned loose,
Who ran into the shadow of the
culaboose;
Who—though the doors were
gaping wide—
Graciously evaded stepping inside.

Just a little common courtesy
Would add to his prestige and
dignity,
He who deines by our law to abide,
Should be invited to stay outside.
Is the agony less? Loss of life
"Not so much."
When caused by the recklessness
of such?
If really a need of such haste, then
why
Not charter a plane and swiftly
fly?

I hope they stopped him in every
town,
Just to cut his demerian speed-just
down;
If, instead of such blazoned ads,
He'd have cut down just a minute

or two,
He could have thrown the throttle
open wide
When he passed those pillars, just
outside,
But that's the way of the highway
here!

We pay in more ways than one,
that's clear.
Well, work is for the fools, they
say—
So's the law. The smart ones get
away;
While if the law held for every
man,
We would "get somewhere"—and
safe home again.

MORAL:
If the law ain't for these or those,
Wish'd they'd label them guys, so
a fella' knows,
And can dodge their whims, 'n cars,
'n things,
And keep an eye peeled for foreign
speed kings.

SAVE HEALTH AND MONEY

By C. W. Lussman
of Sieburg Pharmacy
It pays best to patronize a
medical doctor before you are
forced to call upon him for serv-
ice.

Owners of any kind of ma-
chinery know that it pays to
check constantly on the condi-
tion of their machines. There
may be no outward evidence
that a part is wearing down to
a point of danger, yet you con-
sult a mechanic from time to
time, and he checks for wear
or other defects, thereby saving
your machine and a greater out-
lay of money later on.

Perhaps at times readers of
these health talks may feel that
the repeated admonitions to
check with a physician, even
though you consider yourself
well, are overdone—but are they?

It sounds like sweet music to
hear the doctor say, "you're in
good shape." It sounds like
something else when he says,
"you'll have to remain in bed
for three months."

When medicine is needed get
it where you are assured of ac-
curate compounding by a com-
petent pharmacist.

pearing in this paper each week.

It Happened Here

THE PARLOR BED-ROOM
But I ain't scared of the dark—huh!
Guess you wouldn't like it any
better'n I do.

Sleeping 'way off there by yourself,
An' then what good 'd a cry do?
Off there in the parlor bed-room
Where mostly comp'n'y sleeps
And just as soon 's the light 's out
Something always creeps and
creeps!

The stove-pipe sings and the
boards go creak!
And something creeps across the
floor!
I wait for it to spring at me
An' then—my throat gets dreadful
sore!

I try to scream like anything
But my sore throat won't let me—
I guess I'm pretty awful sick
When I'm mink-mink-mink to
get me!

The very little boy wanted to
visit the police station; naturally,
his mother wanted to know why.
"Well," solemnly, "I have some-
thing important to talk over with
Skog." Relative to making a world
safe for all children? S'Amuser.

Crosby Plays Happy Loafer In New Film

Bing Crosby's latest comedy,
"Sing You Sinners," which opens
Sunday and Monday at the Ar-
lington Theatre, turns the croon-
er away from the fast-stepping and
energetic role he played recently
in "Doctor Rhythm," and plants
him in a role reminiscent of the
one he had in "Waikiki Wedding."
Bing portrays the happy-go-lucky
and ne'er-do-well son of a small
town family who wins fame for
himself and his mad-cap family by
persistent nerve, and his incom-
parable good fortune.

"Sing You Sinners" boasts a
cast equal to that of any Crosby
picture. Fresh from his successes
in "True Confession" and "Coco-
nut Grove," handsome Fred Mac-
Murray plays the role of Bing's
serious-minded and despairing
brother, whose romance with "the
girl next door" consists of one
postponed wedding date after an-
other, due to the family playboy's
inability to get himself a perman-
ent job. Elizabeth Patterson, the
garrulous but good woman of the
movies, seen recently as Claudette
Colbert's aunt in "Bluebeard's
Eighth Wife," portrays the boys'
long-suffering mother. Donald
O'Connor, the new juvenile find,
completes the family group.

Paramount's newest star discov-
ery, Ellen Drew, who is being hail-
ed in Hollywood as "the candy
store Cinderella," has her first big
film role as MacMurray's sweet-
heart who shares the disappoint-
ments, joys and, finally, triumphs
of the unpredictable "Beebees." One
of the prettiest young ladies to ap-
pear before a camera this year,
Miss Drew received her unusual
title because of her recent discov-
ery by a talent scout in the Los
Angeles confectionery shop where
she was working.

Wesley Ruggles, who is known
throughout the film world for his
skill in handling light-hearted
comedy plots, both produced and
directed the picture. Moviegoers
will remember him as the man who
filmed Mae West's unforgettable
"I'm No Angel" and, more recent-
ly, Claudette Colbert's "I Met Him
in Paris" and "True Confession."

Move Nebel Landmark

Finally, after many years of ser-
vice, the old Nebel's store and home
is gone from Nebel's Corner. This
building is being moved to Fred
Wille's farm to be used as a home.
It will be remodeled and placed on
the south side of the road closer
to the other buildings.

It certainly will be odd to go
past this former landmark and not
see the same familiar corner.
Now Schaumburg ought to work
hard to get a pavement through the
village on Schaumburg road. That
would be quite a helpful improve-
ment for the business and home
owners there.

We must be expanding here, be-
cause we now have two rotary pub-
lics in this village. Mr. Redeker is
one, and I took out the necessary
papers and now have my commis-
sion to do this work. So, onward
Schaumburg, eh?

Buy Farms for New Estate in Schaumburg

by ROGER KAPPA

Township of Schaumburg is num-
bering among its citizens more and
more wealthy estate owners.
Schaumburg township is fast be-
coming the mecca of men who de-
sire to establish wealthy farm es-
tates. The latest is Mr. Snyder of
Ohio who has acquired 260 acres
by purchase of 120 acres from Mr.
Gunther, 100 acres from Mr. Hat-
tendorf and 40 acres from Mr.
Zarnit. The purchaser will erect
buildings and organize his new
property in the spring, providing
employment for many Schaumburg
people.

Mr. and Mrs. Fred Bartels are
the proud parents of a little baby
boy born to them on Friday last
at work. Latest reports have it that
mother and baby are doing nicely.

Alumni Dance

Arlington alumni are holding a dance at the Arlington Country club, December 26. Earl Friedrich's orchestra will furnish the music. Miss Virginia Weber is in charge of the ticket sales.

Friendly Class Meets

The Friendly class of the Presbyterian church met in the church Tuesday afternoon for their Christmas program. After dessert was served the group enjoyed hearing Mrs. Lattol tell of Christmas in the Holy Land and enjoyed the singing of Christmas carols.

Christmas Party

The senior choir of the St. John Evangelical church, together with their husbands and wives enjoyed their "annual Christmas party" at the home of Mr. and Mrs. George Scharringhausen of Elk Grove, Monday evening, at eight o'clock.

Mrs. Elise Landmeier Sander, in whose honor the party was held, was presented with a lovely gift in appreciation of her many years of faithful service in the organization and in recognition of her recent marriage. Mrs. Bessie Friedrichs Linnenkohl made the presentation.

Gleaners Circle Meets Next Week

The Gleaners Circle will meet at the home of Miss Elizabeth Heller on Wednesday evening, December 21, for a Christmas party and gift exchange.

Missionary Society To Have Guests

The Missionary Society of the Methodist church will meet in the parlor of the church next Monday evening, each member bringing a guest. A candle light service will be held.

THE PLACID PARENT

Politicians are always trying to get their hands on school funds, but the Placid Parent finds that the parent-teacher association keeps a close watch on such things and informs the public promptly when there is danger.

Friendly Circle Meeting

The Friendly Circle of St. John Evangelical church met on Wednesday, at 7:30. After the devotional and business meeting, a Christmas party was given at which time each member of the Friendly Circle brought a gift for one of the orphans in the Evangelical home for children and aged, Bensenville. Just recently the members of the Friendly Circle distributed Thanksgiving baskets to some of the needy in this community.

Happenings of the Dorcas

Last Tuesday evening the Dorcas Aid of St. Peter's had their election of officers. Members elected were: Mrs. E. Nagel, president; Mrs. Geo. Meyer, vice president; Mrs. Wm. Mueller, second vice president; Mrs. Wm. Wilke and Mrs. A. Russell, retained their former positions of treasurer and secretary.

Following the business meeting, Mesdames Wm. Krueger, H. Kehe, A. McElhose, Wm. Lussmann, Wm. Luetschwager and Jonas, served refreshments suited to the Christmas season.

Men Enjoy Talk On Russia At Woman's Club Guest Night

Woman's club members and their husbands to the number of two hundred, enjoyed an excellent program last Wednesday evening, when the Woman's club held their annual men's meeting.

Miss Marie Ludwig, harpist who has appeared with the Metropolitan Opera Co. of New York and who has appeared with the Chicago Symphony orchestra of Chicago, presented a musical program which was greatly enjoyed by the guests.

Dr. Malek, world traveler and lecturer, was the guest speaker of the evening, and was most enthusiastically received. His topic was "Ten Thousand Miles Across Russia." Dr. Malek was privileged to travel across Russia without a guide, and thus learned a great deal about true conditions in Russia, under a Communist government. His picture of conditions there was anything but pleasant. He said that the condition of the peasant class is worse than it was under the old rule, for now even their homes and farms have been taken from them.

He commented on the absence of stores in Russia, even in the large cities, few stores are to be found, and the few that do exist are owned by the government, with prohibitive prices for the common people. It would take the entire salary of a well educated skilled mechanic for one month, to purchase a few articles of clothing, and so for the greater part one finds them wearing little, and extremely shabby clothing, and going barefooted, or with their feet tied in rags. The lower classes live mainly on dark bread, soup and weak tea, while the government officials dine sumptuously in the exclusive hotels. Radios are owned and operated by the government and all literature in Russia today is published by the government and is propaganda, thus the people are kept in ignorance of conditions in other countries, even the children are educated on it, with the future of Russia and the five year plan painted in glowing terms.

One finds no old people in the cities of Russia, for they are all sent to the concentration camps in Siberia to work in the forest, leaving the young women working side by side with the men, in the cities. He spoke of the vast amount of machinery ready to work, the vast amount of their natural resources, but their appalling lack of skilled people able to handle this equipment.

If the people of Russia can be

Woman's Club To Hear Talk On Holy Land

The Woman's club is to have another very fine program at their next meeting, when Mrs. G. A. Papperman, recently returned from the holy land where she had gone as a member of the seminar of the American Schools of Oriental Research, will give a lecture on "Palestine Patterns."

While in Palestine, Mrs. Papperman visited many biblical and archeological sights and became acquainted with the natives of all classes in the Holy Land, persons influential with the political life of the country as well as the lower classes. She will bring with her costumes and illustrative articles to make her talk more interesting. Mrs. Ralph Manley will present an organ recital between 2 and 2:30.

Epworth League Have Installation Of Officers

The Epworth League of the Methodist church met Sunday evening with friends and parents as

kept down until such a time as these great natural resources can be developed and this great dream of Utopia can be fulfilled. Communism might succeed, but the masses are becoming restless, and time alone will tell.

The great interest that Dr. Malek aroused by his splendid talk was evident from the great number of questions which were asked at the close of his lecture.

Russia boasts a very large army, but Dr. Malek pointed out that it is untrained, and for the most part unarmed, partly because it is dangerous to arm them.

At the close of the program, a buffet supper was served, at attractively decorated tables, and a social time was enjoyed.

University of Chicago Man Addresses P-T. A.

Dr. Edwards, professor in the school of education at the University of Chicago, gave a very fine address on "Schools and Social Order" at the December meeting of the Parent-Teacher association, Tuesday evening. He stressed the fact that education no longer consists of the three R's, but must be such as to develop the social habits as well.

The grade school glee club, under the direction of Mr. Melvin Anderson, sang several Christmas numbers. Mrs. Jarvis announced that the class in home-making will start soon after the next meeting in January and reservations should be made as soon as possible, as only a limited number of applicants can be accommodated. The class will be held in the Domestic science room at the North school.

Miss Esther Knaack, Bartlett, Is Bride Of Erwin Flentge, Elgin

Miss Esther Knaack, daughter of Mr. and Mrs. Fred Knaack of Bartlett, and Erwin Flentge, son of Mr. and Mrs. Henry Flentge, Elgin, were married at 2 Wednesday afternoon in the Bartlett Evangelical church. The Rev. Fred Schnathorst performed the double-ring service.

The bride was dressed in a broad white satin gown with long sleeves and high neckline. A close-fitting cap held her long tulle veil, lace trimmed, and seed pearls composed her coronet.

Escorted by Brother The bride carried white sweet peas and carnations, her only jewelry consisting of a triple strand of pearls, a gift from the bridegroom, and a bracelet belonging to her sister, Lucinda Knaack, which served as "something borrowed."

Miss Lucinda Knaack and Miss Donna Mae Giddens, the bridesmaids, were attired in pale pink satin and peach-colored taffeta, respectively. Both had white accessories and both carried pink carnations and sweet peas.

Miss Margaret Flentge, niece of the bridegroom, wore blush pink taffeta with white accessories and carried pink and white carnations. Raymond Knaack, a cousin of the bride, served as best man, and the bride's brother, Harold Knaack, escorted her to the altar and gave her in marriage.

Preceding the ceremony Vernon Wolff sang "I Love You Truly," and "Oh Promise Me," accompanied by Mrs. Selma Baxman, who also played the wedding march.

Following the ceremony a wedding supper was served at the Flentge home, guests including a company of 70 relatives and friends. Mrs. Flentge was assisted in serving by her daughter, Mrs. Clarence Edeling. The evening was devoted to dancing, with music by Anna and Peter Fakes. Guests were present from Bartlett, Palatine, Chicago and Elgin.

The couple will make their home at 39 N. Aldine ave., Elgin.

Builders Installation Is Postponed

The Order of the Boy Builders regrets to announce that the installation of its officers is postponed until early in January.

Legion Auxiliary Notes

The Chicago Times American Legion Auxiliary Christmas party for the 9th district area from Des Plaines to Barrington, will be held at the Mt. Prospect grade school hall, Wednesday evening, December 21. Mrs. Joseph Wisersky and Mrs. Geo. Palmer will take nine children from Arlington Heights. The party for the remainder of the 9th district will be held on the 22nd. Mrs. Violet Rector and her committee will pack the Christmas boxes for Elgin hospital on December 17. If you want someone to call for your donations, call 664 or 289-W before Saturday.

American Legion Notes

The next regular meeting of Merle Guild Post American Legion will be held at the Legion Home Tuesday, December 27, 7:30 p. m. New activities are being started to stimulate the interest of all Legionnaires, and for the purpose of increasing our membership and attendance. Members of the post are urged to become more legion-minded and to ask a comrade to visit the post with them. The commander has promised a surprise for the benefit of our post, following the election of the first-class of candidates for legion membership.

If any Legionnaire knows of a comrade who is eligible for membership in our post, please see that he is supplied with an application card and bring him and the application to the next meeting.

The commander and the membership chairman hope that all Legionnaires will act for the good of the post and help us increase our membership, as their part in the Legion's service to the Community, State and Nation.

A Legionnaire who considers the preamble to our Legion Constitution seriously, will be an asset to any community. The preamble is as follows:

For God and Country, we associate ourselves together for the following purposes: To uphold and defend the Constitution of the United States of America; to maintain law and order; to foster and perpetuate a one hundred per cent. Americanism; to preserve the memories and incidents of our association in the Great war; to inculcate a sense of individual obligation to the community, state and nation; to combat the autocracy of both the classes and the masses; to make right the master of might; to promote peace and good will on earth; to safe-guard and transmit to posterity the principles of justice, freedom and democracy; to cooperate and sanctify our comradeship by devotion to mutual helpfulness.

—Publicity chairman.

Miss Erma Landmeier Weds Bernhard Schoppe At Bensenville

Wedding bells at the St. Johns Evangelical church rang in the happy event last Saturday at 3 o'clock, when Miss Erma Landmeier, daughter of Mr. and Mrs. Wm. J. Landmeier and Mr. Bernhard Schoppe, son of Mr. and Mrs. Elmer Schoppe, were united in holy matrimony at the altar in a beautiful double ring ceremony. The Rev. Paul Kasper officiated. A large host of friends and relatives gathered in the sanctuary to witness the ceremony.

To the strains of the Lohengrins wedding march played by Mrs. Herman Magers, Miss Jeanette Schoppe, sister of the groom, entered with Clarence Landmeier, cousin of the bride. They were followed by Miss Lydia Landmeier, sister of the bride and Wesley Landmeier, cousin of the groom. The third couple to enter was Miss Bertha Harbecke and Wilbert Landmeier, brother of the bride. Next entered Miss Alice Landmeier, the maid of honor, who is a sister to the bride.

The beautiful bride entered on the arm of her father as the bridegroom entered escorted by the best man, Mr. Elmer Schoppe, Jr. The bridesmaid ensemble consisted of teal blue moire dresses with silver accessories. Each carried a pretty bouquet of yellow pomspons. The maid of honor was dressed in raspberry taffeta with gold accessories carrying a bouquet of pink mums.

The bride's ensemble consisted of a gorgeous white velvet dress with a finger tip veil. She carried a bouquet of Calla Lilies. The groom and his attendants wore dark suits and carnations.

When the bridal procession arrived at the altar, Mrs. Herman Magers sang "I Love You Truly" after which Rev. Paul Kasper read the holy writ.

After the ceremony many friends and relatives gave their congratulations to the young couple. A delicious wedding supper was served by the Ladies' Aid at the St. John's school house.

On the same evening the doors of the Lincoln school were open to many friends and relatives, in which the evening was spent dancing to the music of Heine's orchestra. The bride was showered with beautiful gifts for which she extends her sincere thanks to all.

The couple are living with the bride's parents. They will later reside on the Landmeier farm on Marshall rd. near Bensenville.

Eastern Star and Masons Unite in Christmas Party

The annual Christmas party will be held in the Chapter room Thursday evening, December 22, at 7:30. Members and their children are invited to attend. Santa Claus is expected to arrive during the evening, but so far he has not advised whether he will come by plane or sleigh.

Alfred Lunt and Lynn Fontanne Hit In Chicago

Alfred Lunt and Lynn Fontanne, Chicago's favorite stars, have taken Chicago in an avalanche of fun. Their play, "Amphitryon 38," which is the thirty-eighth version of the story in which the god Jupiter comes down to earth in an exciting romantic interlude, is at the Erlanger Theatre. The engagement rests for the week before Christmas, but picks up again for two weeks on Monday, December 26. Matinees are Wednesday and Saturday.

The Chicago critics have declared "Amphitryon 38" to be the most brilliant play of the current season, calling it a morsel that is full of wit and wisdom. It is comical from the first curtain, a scene in which Jupiter looks down from the clouds, to the final thrills of his return to the open spaces.

This is the perfect holiday entertainment. It is something to make one feel gay and happy, something of the true Christmas spirit.

The Lunts are extremely light and humorous in the show, giving it all the undertones of mirth at their command. The laughter never stops.

The company is the original cast to the last play, having been in New York all last season and for eight weeks in London. The same excellent actors seen here last season in "Idiot's Delight" are found on the roster, including Richard Whorf, Sydney Greenstreet, Edith King, George Meader, John Barclay, Barry Thomson, Margaret Waller and Jacqueline Paige.

Following the visit of "Amphitryon 38" the Lunts will present "The Sea Gull" for two weeks, starting on January 1, after which they hit the trail westward. But it is "Amphitryon 38" for Christmas and that is all that matters at the moment. North Clark st. in Chicago, is rather giddy these days. And the trip to town is well worth the effort.

The 1939 Corps of officers presided at their first regular meeting Thursday, December 8. After the business meeting a reception was held for the newly elected officers. A goodly number of members were present and a social time was enjoyed.

CHRISTMAS PARTY

Irving Wolf school, district 82, is holding a Christmas party, Thursday, December 22, given by the Achievement club. There will be dancing. Everybody is welcome.

STRIKES CAR PARKED ON NORTHWEST HIGHWAY

Driving south on the Northwest highway between Palatine and Barrington, Burton Dole, 3534 S. Dam. en ave., Chicago, struck a car parked in the inner lane, early Sunday morning, turning the car over several times. No one was injured. The driver of the other car left the scene of the accident without identifying himself. Dole was accompanied by Stella Phillips of Barrington.

MUDDY WINDSHIELD BLAMED FOR CRASH

A muddy windshield obscured her vision, Mrs. Thirza Leinberger,

Chicago, told county highway police, after her car collided with another on Algonquin rd., two miles east of Barrington rd., last Thursday evening. No one was injured. The driver of the other car was A. H. Alverson, of Rockford. Both cars were thrown into the ditch by the impact.

AMERICA'S NUMBER ONE CLOSE-SHAVERS

They're a sensation from coast to coast! Thousands of men are fast saying good-bye to "wet" shaving, have learned the comfort and economy of the REMINGTON and the RAND Close-Shavers. Here's why: Both have the new Diamond Brand shaving-head that can shave as close as a blade—yet faster without ever cutting, nicking or scraping the face. This new Diamond Brand shaving-head is exclusive with the Remington and Rand Close-Shavers. From the day you first feel the caress of one of America's Number One Shavers, you'll know you're getting the finest shaves of your life!

30% CLOSER!
The "shaving blade" on Remington and Rand Close-Shavers get 30% closer to the skin than those of any other electric shaver—at 2/1000ths of an inch. That's why these are America's No. 1 Close-Shavers!

PLUS ALL THESE FEATURES:
1. SELF-STARTING, powerful A. C. motor with no rotating parts to wear out or require oiling. Gives more "shavepower" than ordinary electric shaver motors. 2. NEVER FUMBLE A WHISKER, shaves long as well as short hairs. 3. NO RADIO INTERFERENCE. No "static" buzz. 4. NON-SLIP HAND-GRIP. Prevents dropping. 5. BACKED BY REMINGTON RAND, largest maker of precision machines in the world. More than 225 service stations.

CHRISTIAN SCIENCE CHURCHES
"God the Preserver of Man" was
the subject of the Lesson-Sermon in
all Churches of Christ, Scientist, on
Sunday, December 11.

The Golden Text was, "Withhold
not thou thy tender mercies from
me, O Lord: let thy lovingkindness
and thy truth continually preserve
me" (Psalm 40:11).

Among the citations which com-
prised the Lesson-Sermon was the
following from the Bible: "Thy
righteousness is like the great moun-
tains; thy judgments are a great
deep; O Lord, thou preservest man
and beast" (Psalm 36:6).

The Lesson-Sermon also in-
cluded the following passages from
the Christian Science textbook,
"Science and Health with Key to the
Scriptures," by Mary Baker Eddy:
"God is the Life, or Intelligence,
which forms and preserves the in-
dividuality and identity of animals as
well as of men" (p. 550).

Use of Glass Fiber
As far back as the Fourteenth
century, the Venetians produced
glass fiber. In 1892 an American
glass company manufactured a
dress of silk fabric interwoven with
strands of glass thread, and exhib-
ited it at the Columbian exposition.

**Churches Owe Duty
To Aged Asserts
Dr. Walter A. Maier**
The churches must pay more at-
tention to the problems of the aged
in our country, Dr. Walter A. Maier
of Concordia Seminary declared to-
day in his coast-to-coast Lutheran
Hour broadcast over a network of
63 stations. Asserting that eight
million people in this country are
65 years old and over and that this
number is constantly being en-
larged, he appealed for increased
attention to the spiritual needs of
the "too old," suggesting that the
churches leave the pension plans
to the government, but prepare
their parishioners for heaven.
"Our public libraries have shelves
of books on how to live long, how
to live happily, how to live alone,
how to live with others, but above
all our age needs the one book that
teaches men how to live for heaven
and its blessings."
Dr. Maier said pastors of many
prominent churches who answered
a questionnaire on heaven expressed
doubt concerning the truth of the
biblical statements on eternity. He
characterized this denial of heav-
en's blessing as "pulling the crutches
from beneath a crippled world."
"For the injustice, false-
hood and sorrow of the life on this
earth," Dr. Maier added, "we must
assure ourselves of the justice,
truth and blessing in eternity."
Calling for a "heaven-minded"
policy in the pulpits of America,
Dr. Maier advocated the preaching
of the gospel of Jesus Christ as
the only means to establish and
maintain faith in the heaven to
come, declaring "only with heart-
and minds directed heavenward
through Christ, can we find the new
and rich happiness of the eternal
life."

**CHRISTIAN ENDEAVOR
NOTICE**
Miss Aurelia Rau led the Mis-
sionary meeting last Sunday. Both
speakers from Chicago, gave inter-
esting talks about missionary
work in Chicago's Chinatown.
There was an overflow crowd at
this meeting and everyone had an
enjoyable time.
Miss Helen Palmer will lead the
meeting next Sunday. The time
will be as usual, 6:30 Sunday eve-
ning, in the Presbyterian church.
A cordial invitation is extended to
everyone to attend these meetings.

Discounted School Orders Cost Teachers 25 Per Cent

"Teachers should never again be forced to take payment in any tender that is not acceptable to those from whom they wish to buy."

Such is the conclusion reached by the Public Relations Committee of the Lake Shore Division of the Illinois Education Association after studying the financing of Cook county schools outside Chicago during the depression years.

"When a teacher is forced to give up 25% of her salary through discounts because the orders with which she is paid are not properly secured she becomes discouraged and is worth scarcely more than the amount she receives," the committee claims.

"But what happens to the district which issues these orders?" the committee asks. "It has the services of a discouraged teacher, but is forced to pay in full for those services plus an interest charge for the term of the teacher's order."

"And the investor? He makes an income ranging from 6% to as high as 60% on orders picked up from teachers who are compelled to sell."

The necessity for the issuance by the township treasurers of interest bearing teachers' orders, the committee states, was brought about by a pre-depression tax strike, issuance of tax anticipation warrants to the legal limit, 40% to 60% drops in local assessed valuations and high delinquency in tax payments.

"Most of these orders," the committee reports, "drew interest at the rate of 6% from date to the time there was money on hand to retire them. In some districts where the assessed valuation per

child was high these orders were called for payment at an early date; in the less able districts many orders issued as early as 1932 have not yet been called and there is no prospect of their being called in the near future.

"Naturally," the report points out, "the financial ability of a school district had a great deal of influence on the market value of these teachers' orders. Teachers in certain districts had no trouble in disposing of their orders at par, while others, teaching in the least able districts, were fortunate when they disposed of their orders at high discounts since the taxes had already been pledged to redeem tax anticipation warrants."

Superintendents of 26 school districts told the committee that their teachers had accepted discounts ranging from 2% to 68% and the committee computed that if all who were furnishing goods or services to these districts were forced to discount their tax anticipation warrants and teachers' orders, their loss would have totaled \$1,594,164 or about 15% of the same districts' total educational tax levy of \$10,184,318.

"Of course," the committee cautions, "such an assumption is not being made. In the first place, schools generally did not issue teachers' orders until they had marketed tax anticipation warrants up to the legal limit of the tax levy. Furthermore, these warrants were usually sold by the board of education for cash and at par since the law will not permit the board to sell paper of any kind at less than par. However, when credit was exhausted through the issuance

Movie Program Reminds Guy of Old Home Folks

GUY SAMPSON
(Former Bensenville Editor)

Portland, Ore., December 4, 1938
As I have just finished listening to Uncle Ezra's program, thought I would write a few lines regarding the "West in Winter." You know there is such a thing as being in the right place at the wrong time and the wrong place at the right time. Well, both Mrs. Sampson and myself have wanted to see the Pacific ocean when it was really mad, as they call it when there is a severe storm at sea. Last Tuesday we took a 269 mile drive and a lot of it along the coast, but found everything quiet and serene as could be. But the following day we heard reports coming of a terrific storm along the coast. And here in Portland it rained and rained and then rained. But one thing we can be thankful for, when it rains it gets real warm and no one ever stays home on account of the rain. We did have a cold east wind for several days, but only a couple of nights when we had a white frost.

Today is rainy but 50 above zero. November 27 was mother's birthday and she was 84 years of age. About 27 ladies of the church came in Monday (the day after) and helped her celebrate all of which she enjoyed very much.

Illinois Ballots Less Complicated
I was very much interested in the election question here as it seems to me that a great improvement can, should and must be made along that line here. I sent village clerk, Fred Elfring, a sample ballot, the same as most voters mark and carry into the voting booth to mark their ballot from. The ballot is so complicated that it would take as much as 15 minutes to vote unless one had a copy to vote from. The Evening Journal, which we read daily, carried an editorial entitled "Snails Could Outspeed

Them" and it was so good that I wrote an article setting forth my views on the matter. I am enclosing both for you to see that we still sling a little copy for publication just as we did in old Illinois. Enjoys Letters and Visits

We have been favored with three different visits from people from the east the past year. First a man from Wauzeka, Wisconsin, visited us and then a man from Bensenville called and later five ladies from the Chicago Terminals called and spent a night. We sure enjoyed every minute of these visits as we enjoy the letters and the weekly Register. Since we have driven almost 16,000 miles since leaving there, we have let up a little on trips. But we manage to get out a ways almost every day and see the beautiful scenery that we have here. Have only one complaint to make regarding news reports in the Register. When that awful explosion took place on the Milwaukee railroad a few weeks ago I was unable, either from our western daily papers, the Bensenville local paper or from personal correspondence to ascertain how my old co-workers were who met a tragic death. And as yet we do not know. Still Believes In Printer's Ink

Am glad to see our old towns business men going after business via the printer's ink route as I personally know that is the real track to follow to get places in business. We are now well on our second year on the west coast and like it better every day. Talk about sleep—well this climate takes care of that—I am getting so that I feel sorry for those who have to get up and be on the job at a certain hour. But don't think that I have been getting lazy since retiring from the railroad work. My many years as a member of the Bensenville railroad safety first committee causes me to get busy quite often along that line. Mr. Earl Snell, our secretary of state, is greatly interested in a safety program and I have some very interesting letters in my desk that he wrote me regarding some ideas I wrote him about the program. Every Thurs-

day at 3 p. m., he has a 15 minute program put on the air from one of our largest broadcasting stations. The title is "Speed Inc." In it the actors re-enact some accident that has occurred in our midst. Then follows the reading of suggestions sent in by different people. It was regarding some suggestions I sent him that he responded and asked permission to use them on the broadcast.

In a letter of November 28, which I received from Mr. Snell, he has the following to say: "As you know we embarked on a state wide program in traffic safety last year and

the results have been most encouraging for figures to date for this year show a decrease of approximately 4,500 reported accidents, 750 injuries and 38 fatalities." I only wish his weekly broadcast could be a coast to coast hookup. If that reduction in accidents can be accomplished in Oregon, it can be accomplished in other states—yes, even in Illinois.

So wishing all, who we know in dear old Illinois, a Merry Christmas and a Happy and Prosperous New Year, I will again sign off as the Sampsons of Portland, formerly of Bensenville, Ill.

The Community Christmas celebration will be held in the gym on Thursday evening, December 22 at 7:30 o'clock. A short program will be presented by the children of the school, and all will be invited to join in the singing of carols. The Chamber of Commerce has again arranged to have Santa arrive just after the program with gifts of candy and nuts for all the children. Everyone in the community is invited to join in this celebration.

The December meeting of the P.T.A. will be held next Monday evening and will take the form of a Christmas party following the business meeting.

On Wednesday afternoon, the 21st, all pre-school age children are invited to a Christmas party which is being held for them in the school gym by the Mother's Study club of the P.T.A. The children will bring 10 cent gifts which will be distributed at the party by Santa.

Next Thursday will be the last day of school until after the holidays. On that day all the children will take their lunch to school and with their teachers enjoy their noon-day meal as a school-family Christmas dinner. This custom started last year and proved to be such a happy occasion that all voted to repeat this year. School will open after the holidays on Tuesday, January 3.

Little Frances and Franklin Zollner have a brand new baby brother to help them celebrate Christmas. An eight pound baby boy was born to the Zollners at the Evanston hospital on Saturday, December 3.

Mr. and Mrs. Roy Dobbins of Arlington Heights, visited their niece, Mrs. A. Merry on Sunday.

Mrs. W. H. House of Burlington, Iowa, came last Wednesday to spend the week-end with her cousin, Miss Bertha Keith.

Mrs. H. Grigg and Mrs. DeBeck of Chicago, were Wheeling children last week. They formerly were residents of Wheeling, as members of the Niebuhr family.

Mrs. Carrie Arnold was the guest of honor at a farewell party at the North Northfield Evangelical church last Thursday evening, following their prayer meeting. About 60 people were present to enjoy the evening with her. A special program of songs and poetry was arranged by friends, after which refreshments were served. Out of town guests were Mrs. Arnold's brother and wife, Mr. and Mrs. Edward Forke of Chicago. Mrs. Arnold is leaving for California this week, where she plans to spend the winter months with her sister, Mrs. Fred Helm.

Mrs. Delbert Dobbins entertained about 35 friends at a bridal shower for Miss Grace Miller of Palatine, last Saturday evening. Miss Miller is to be the bride of Mr. Russell Winters, a brother of Mrs. Dobbins, in the near future. The guest of honor received many lovely gifts and all shared in a most enjoyable evening.

The Christmas service of the Presbyterian church school and congregation, will be held on Christmas eve, December 24, as has been the custom. The service will begin at 7:45 and will be presented chiefly by members of the school. However, the service is not a Christmas entertainment, but rather a Christmas worship service for all, both young and old, with the younger members presenting the Christian message of good tidings. Everyone is welcome to share in this service.

We are sorry to learn that Mrs. Charles Williams has been failing in health again and is in very poor condition at the present time.

One new case of scarlet fever was reported in the district last week. Miss Anna Loibel, a pupil in the eighth grade, is the new case. All previous cases are reporting satisfactory recovery, most of them having been light. However, this does not warrant any let down in precautions to prevent further spreading of the disease, which is always dangerous. Parents are urged to watch the general health of their children and help them build up a natural resistance. This is especially important at this season when more activities and excitement tend to lower resistance. Mrs. Aug. Pieper entertained her "500" club last week on Tuesday evening at the Riverside Inn. First prize for the evening went to Mrs. Wm. Laurance; second to Mrs. James Bailey and the consolation

prize to Mrs. Jos. Bellmore.

Having arrived at the stage where we are prone to forget our birthdays, Mr. James Craig was really surprised when a group of friends dropped in to help him celebrate his birthday last Saturday evening. They were Mr. and Mrs. Bert Hoffmann, Mr. and Mrs. Lloyd Graham, Mr. and Mrs. Harry Wewetzer, all of Barrington and Mr. and Mrs. Jack Nielsen of Wheeling. They spent a very pleasant evening at cards and visiting and Mr. Craig was glad that his friends helped him remember.

Forest Preserve employees entertained the Preserve Commissioners at a chicken dinner given in the cabin at Dam No. 2, on Wednesday evening. This dinner is an annual affair in which employees play host to their employers in a genial get-together, and has proved to be a popular occasion.

Mr. and Mrs. Fred Utadel entertained their card club last Thursday evening. Guest players

were Mr. and Mrs. Frank Utadel and Mr. and Mrs. Harold Utadel substituted for the Galitzes. Ladies' prizes were won by Mesdames Margaret and Mary Utadel and gent's prizes were taken by Messrs. Hy. Grandt, Jr. and Robt. Utadel.

PRESBYTERIAN CHURCH
Sunday, December 18.
Morning worship, 10:55 o'clock.
Sunday church school, 9:30 o'clock a. m. All members are especially urged to be present for rehearsal and completing of plans for the Christmas service.
The annual Christmas service will be held Saturday evening, December 24, at 7:45 o'clock.

Because of Christmas Eve falling on Saturday evening, and the participation of the children in that service, no session of the school will be held on Christmas day, December 25. However, a worship service will be held on Sunday, the 26th, beginning at 10:30 o'clock, to which all members and friends of the church and school are invited to attend.

About East Maine

Miss Alma Bruhn is down in Florida since last week, driving down with the folks by whom she is employed. They plan to spend the Christmas season down there, returning here some time in January.

Mrs. Edward Ahrens' cheery smile has been missing from the Ahrens' Bros. Royal Blue Store in Des Plaines since last week. An attack of quincy sore throat with complications has kept her confined to her bed. At time of writing she was reported to be improving satisfactorily.

The August Geweke family as well as others from this immediate vicinity, attended the funeral of Mrs. Henry Moellenkamp at Elk Grove last Sunday. Mrs. Moellenkamp, who died suddenly on December 8, was a sister of Mr. Geweke.

Mrs. Clara (Frank) Vogt is at the Northwestern hospital in Des Plaines with a Christmas present that came a little early, a tiny daughter, who put in her appearance on December 7.

Also on December 7, the stork left an 8½ lb. boy at the McHenry hospital for the Junior Krambeers of Wheeling. Mrs. Krambeer is the former Malinda Kref of Golf rd., and the little newcomer is their second child, the first being a daughter.

Christmas programs at East Maine will be as follows: The public school will have a Christmas entertainment and party at St. Matthews school hall with Santa Claus, a tree and everything, on Thursday evening, December 22 starting at eight o'clock.

The children's program at St. Mathew's Lutheran church will begin at six o'clock on Christmas Eve, December 24. Divine services

on Christmas day will be in German at 9 o'clock and in English at 10:30.

BOWLING AT ST. MATTHEWS
The league leading Loutsch's Market were taken down two games by the East Maine store last week, the latter thus strengthening their claim to their newly acquired second place berth. The store men went great guns to top high three game series with a 2440. Weber Garage took three from Meyer Coal and also took their place in third position, plunging into the cellar down into seventh. Standard Oil, Niles Center Coal, each won two to strengthen their position while the Hennig Seed team lost two in spite of the fact that Christ Hennig scored a 207 for the week's high single individual game. Vegetable Growers also dropped a pair to tighten their grip on the cellar. Standard Oil had high single game for the week with a 902, while Adolph Moeller rang up a 530 for high 3-game individual.

ments of Wilson school district are special meeting for the Achievement club Friday, December 2, to talk over plans for Christmas. It was decided that we would draw names to exchange gifts for Christmas. Our party will be held on Friday afternoon, December 23.

Room 1 has organized a safety club. They have a number of rules which they obey. The rules are as follows:
Stop, look, and listen before you cross the street.
Skate only on ice that has been found safe.

Do not throw stones or cinders.
Do not run on the terrace.
Do not walk or run in the middle of the road.
Do not run in front of cars or bicycles.
Do not run up or down the stairs.
We have a new radio which was

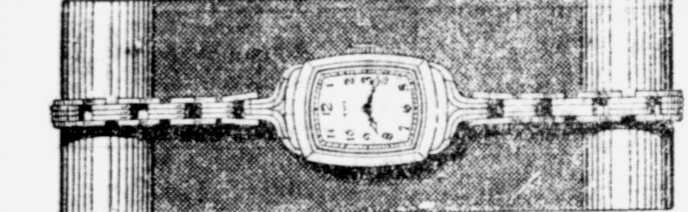

purchased from the Achievement club's funds.
The boys of room two made a work table. We painted it gray.
We have two posters of Christmas villages.

Corn and Soil-depleting Acreage Program Is Assured For 1939

Farmers To Receive Allotments By First Of Year

State and county corn-acreage and total soil-depleting acreage allotments for Illinois under the 1939 AAA farm program have been announced by the state agricultural conservation committee.

The total corn-acreage allotment for the 39 commercial corn counties is 7,208,282 acres. This is an increase of 55,878 acres over the 7,252,444 acres allotted to these 39 counties in 1938.

Three counties, Franklin, Jefferson, Williamson, are not included in the commercial corn acre for 1939 and will not have corn-acreage allotments assigned to them. However, even though farmers in these three counties and in other counties outside the commercial corn area in other states have no corn acreage allotment, they may earn conservation payments by planting within their total soil-depleting acreage allotment.

For the state the total soil-depleting acreage allotment is 14,691,848 acres. This acreage which includes the special acreage allotments such as corn and wheat-acreage allotments represents a decrease of some 272,391 acres from the 1938 figure.

It is explained that nearly every county will have some decrease in total soil-depleting acreage allotment from 1938. The chief reason for this is the big decrease in wheat acreage allotment. This does not necessarily mean that the general soil-depleting allotment for any farm on which there is a wheat-acreage allotment will be lower than last year.

The general soil-depleting acreage allotment represents the difference between the total soil-depleting acreage allotment and the sum of the special acreage allotments such as corn and wheat.

County allotments represent the county's share of the various acreage allotments determined on the basis of the acreages planted during the 10 years, 1928 to 1937, inclusive. Credit is given for acreage

diverted in applicable years under agricultural adjustment and conservation programs, and account is also taken of abnormal weather conditions and trends in acreages.

County acreage allotments are to be apportioned to individual farmers by county and community committees on the basis of tillable acreage, crop rotation practices, types of soil and topography. Allotments for individual farmers in most counties will be available within the next two weeks. It is the plan that all farmers receive their allotments by January 1.

Average allotments by counties listed according to crop reporting districts follow. The first figure is the total soil-depleting allotment for the county and the second is the corn acreage allotment.

	1938	1939
Total soil-depleting allotment	129,915	119,445
Corn allotment	50,877	50,877

Twenty-three Cook County Farmers Attend Yorkville Outlook Meet

From the north part of Cook county the following are among the twenty-three that attended the 1939 Outlook meeting held by the State Agricultural College at Yorkville December 5:

Wilbur Vial, Fred Pfingsten, Wm. H. Freese, Gustave Behrens, Edw. Schoenbeck, Robert Snydam, Wm. F. Buesing, A. G. Decker, Wm. A. Hinz, Arthur Russe, Alfred Landmeier, Wm. L. Meier, L. H. Shropshire, Henry Berndt, Wm. C. Straub.

Briefly the outlook for the following year seems to be toward a fairly good business condition. Feeds of all kinds will probably be in abundance with live stock gradually increasing. By 1940 we will probably see surpluses of hogs and dairy cows. There will probably be a little better demand for vegetable crops in 1939 than there was in 1938 due to improved industrial condition.

Young Farmers May Try For Farm-Home Week Scholarship

Only a few more days remain in which Cook county young men may apply for \$25 Farm and Home Week Scholarships, it is pointed out by Farm Adviser C. A. Hughes.

Eight scholarships will again be offered this year by the Pure Milk Association to individuals belonging to families with memberships in the association. Amounting to \$25 each, the scholarships are granted to young men under 30 years of age who are interested in farming. The funds are to be used for the purpose of covering expenses of attendance at Farm and Home Week at the College of Agriculture, University of Illinois, January 9 to 13.

A committee of staff members of the College of Agriculture selects the scholarship winners for the Pure Milk Association. Application blanks may be obtained by writing R. R. Hudelson, assistant dean, College of Agriculture, University of Illinois, Urbana.

Completed application forms must be returned to the agricultural college not later than December 22 in order that selections may be made and successful candidates notified in time to complete their plans for attending Farm and Home Week.

Additional information about the scholarships and programs listing the Farm and Home Week sessions may be obtained by writing the agricultural college or at Farm Adviser Hughes' office.

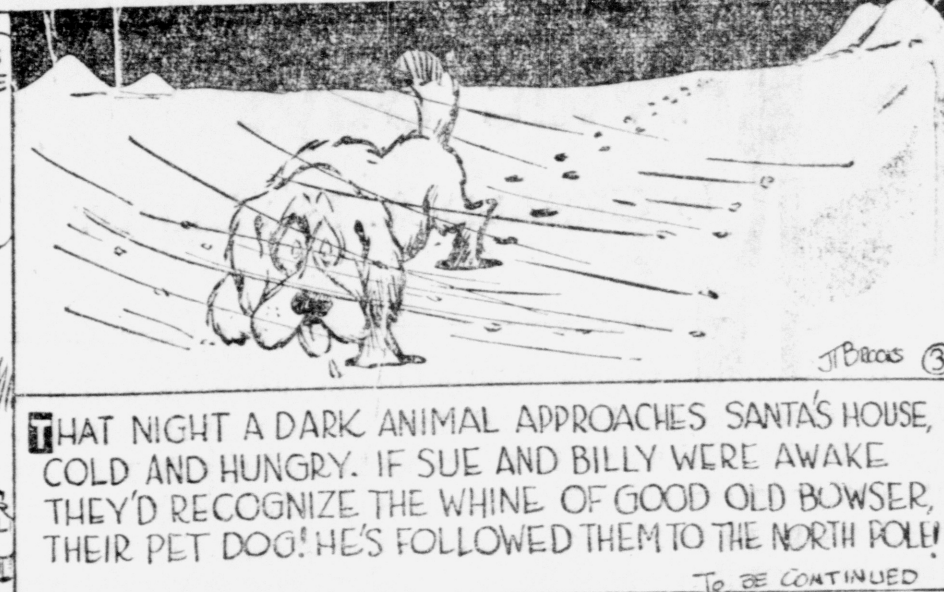

Use of Submarine in Warfare

The Confederate vessel *Hundley* was the first submarine used during a war. On February 17, 1864, she blew up the U. S. S. *Housatonic*, a new corvette of 13 guns, in Charleston harbor, with a spar-torpedo which struck her and exploded her magazine. The *Hundley* went down with her victim.

Question Box On 1938 Corn Loans

For the convenience of Cook county farmers interested in obtaining AAA corn loans, Farm Adviser Hughes in cooperation with the extension service of the College of Agriculture, University of Illinois, has prepared answers to some of the questions usually asked about the corn loaned.

Q.—What will be the loan rate on 1938 corn under terms of the AAA corn loan program?

A.—Fifty-seven cents a bushel to farmers in Cook county and other counties in the commercial corn area for 1938.

Q.—To whom does the 43-cent rate apply?

A.—Not to farmers in Cook county or any other county in the commercial corn area. This rate applies only to farmers outside the 1938 commercial corn area, who did not exceed their total soil-depleting acreage allotments.

Q.—If I operate the same farm in 1939 as in 1938, can I purchase the landlord's share of the corn and seal it?

A.—No.

Q.—Can I purchase my landlord's share of the corn for feed and seal all of my own corn?

A.—Yes.

Q.—I am moving onto another farm March 1, 1939. Can I purchase corn and seal it upon the farm which I will operate in 1939?

A.—Yes, under certain conditions. An eligible producer who will operate a different farm in 1939 from that operated in 1938 may purchase corn produced by another eligible producer and place such corn under a corn loan. However, the number of bushels of such purchased corn which may be placed under loan shall not exceed the number of bushels of corn produced in 1938 by the producer on the farm operated by him as an eligible producer in 1938.

Q.—I am farming one farm which I own and am renting another farm on a crop share basis. The landlord insisted that I plant more than my corn acreage allotment on his farm. However, I have not exceeded the corn acreage allotment on the farm which I own. Can I seal my corn which I have raised in 1938?

A.—You may seal the corn raised upon the farm where the corn acreage allotment has not been exceeded. However, you could not seal the corn raised upon the farm which you are renting, since you overplanted your corn acreage allotment on that farm.

Public Police Questions Up At IAA Convention

State and federal legislation that affects farmers, such questions as consolidation of rural schools, truck regulation, relief administration, state aid for low-cost, farm-to-market roads, changes in the agricultural adjustment program, the state budget law, and others will be up for discussion when farmers from every Illinois county assemble for the 24th annual convention of the Illinois Agricultural Association in Chicago, January 30-31, February 1. At least 5,000 persons are expected to attend.

TOWNSHIP SUES

The township of Niles has filed suit in Circuit court to assess damages for the building of a private road for David Smarts running from his place to a public road. The properties involved are those of the Glen View Club, Andrew Blaes, Ira Crouch and H. J. Robinson.

FORECLOSURE

The Niles Building & Loan association has filed a foreclosure suit in Superior court for \$3,600 against Dorothy Leska.

The late Agnes Weidner, who died in Arlington Heights November 13, left a \$9,000 estate but no will according to the estimate submitted by Probate clerk Mitchell C. Robin, when her estate was admitted to probate. Of this \$8,000 is in real estate. Her brother Alphonse Weidner of Arlington Heights was appointed administrator. The heirs are: four brothers and two sisters, as follows: Alphonse and Raymond and Mrs. Rose Nickel, of Arlington Heights, Bernard Weidner of Palatine, Mrs. Kuniunda Wagner, of Waukegan and Alois Weidner, of St. Louis, Mo.

The will of the late Louise Forke just admitted to probate, gives her \$6,000 estate to her brother, two sisters, two nieces and two nephews. The nephews and nieces are given \$1,000 each and the brother and sisters divide the residue. A sister, Carrie Arnold and Dorothy, Harold and John Forke, niece and nephews, all live in Wheeling.

Mrs. Clara Dawson, of Glen View, was appointed executrix of the will of her father, William Lehman, Woodstock merchant, who died November 24, leaving a \$12,000 estate to his children. An annuity of \$300 is left his daughter, Margaret, of Glen View, \$25 a month to another daughter, Theresa Moreland, of San Francisco, \$500 each to sons William of Algonquin and Arthur of Arlington Heights. The residue is to be divided among his six children.

About Mount Prospect

By Jane Bigelow

Miss Lois Alton, who attends Gulf Park College in Gulf Port, Mississippi, will arrive home December 17, for the Christmas holidays. Hope you're ready for cold weather, Lois.

The Irwin family moved from Mt. Prospect last week.

Charles Anderson, brother of Mrs. Wm. Mortimer, is the new Busse Buick salesman. He is not residing in our fair town, but Miss Agnes Anderson is visiting her sister, Mrs. Mortimer for a few days.

Where is our skating pond this year? Surely it's cold enough!

Last Saturday, Mrs. E. Baskin entertained a bridge club from a few years back, which is no longer meeting. She served dinner and played bridge in the evening.

Miss Eunice Ivers is working at WGN on Michigan Blvd., on the "I Need A Job" program. Eunice isn't on the air, but works on applications and so forth.

Yours truly was misinformed about Tom Hecklin taking the final vows. Mr. Hecklin is not married, but is engaged to Miss June Hoff of Chicago. No future plans have been made. Excuse my error, please.

Yours truly would like to say "Thanks" to the many people and organizations who are caring for needy families. It's nice to know everyone will have a happy Christmas.

Mrs. Frank Beiser, a former resident of Mount Prospect underwent a major operation on Friday at St. Joseph's hospital in Alton, Ill. She is reported recovering nicely.

CONFIRMATION AT EPISCOPAL CHURCH

Last Sunday morning saw a class of about thirty persons confirmed in the Episcopal Church at Park Ridge, in the Ancient Ceremony of Laying on of hands. Among the class were six from Mt. Prospect's new Mission: Edythe Skelton, Mrs. C. H. Mills, Sari Bigelow, Carla Sommers, Sarah Price and Ruth Baskin.

This was the first class to be confirmed by the Bishop since his very grave illness of last June. The Bishop not only did the confirming, but preached a very powerful sermon to a congregation that must have been well over the four mark. All available seats in the Naive, the Chancel and extra chairs in the Transcripts and aisles were necessary to accommodate the crowd.

Xmas Plays

On Thursday evening, December 22, at 8:00 o'clock the Mount Prospect public school will present their Christmas performance in the school auditorium.

The upper grades will put on a morality play, based on the story of the nativity, entitled "The White Christmas." The play consists of three scenes, and there will be seven characters taking part. The leads are being taken by Robert Lahtinen, Virginia Warner, Shirley Carlson, Bobby Salzman, Jim Crawford, Bob Roderick, and Thomas Weber.

Minor parts will be played by Irene Verret, Billy Turner, Gillee Jean Gehring, Barbara Storm, Bobby Smeby, Joanne Emerson, and Otilie Carpenter.

The sixth grade will make up a concealed choir which will sing a number of Christmas carols throughout the play.

The staging and arrangements are being taken care of by Mr. Gallagher; the directing by Miss Snider; the costumes by Miss Beatty; and the music directing by Miss Ottesen.

The Christmas Light

The primary grades are presenting an operetta, "The Christmas Light." This tells the story of a group of merry children gathered before the home of their beloved Christmas Lady, a gracious woman, who makes them happy each Christmas Eve with a party, gifts, and good things to eat. In her window shines a tall red candle, her Christmas light. They know that she has set it there in the hope that it may lead her long-absent son back to his home for Christmas Day. If the light should fail, she fears, he might never return. The children defend the brave little beacon against a band of mischievous girls and boys who try to pull open the casement window and blow out the light. Their loyalty is rewarded by the glad news that the son has come home. Happy because the Christmas Lady is happy, the children proclaim the joyous news, "He saw the light."

KIDDIES XMAS PARTY DEC. 23

A Christmas party for the children of this community, will be held on Friday evening, December 23, at 7 p. m. in the public school building.

The party is being sponsored by the local American Legion post again this year and all children in Mt. Prospect and surrounding community, are welcome to attend. Arrangements have been made to show sound-movie thriller, "African Adventures" and there will also be Mickey Mouse movies.

Sing 'Messiah' South Church Sunday Eve

Two Guest Soloists Will Appear On Concert Program

The South Church chorus choir will sing Handel's "Messiah" at the Church at 7:45 p. m., on Sunday evening, December 18. Under the direction of Mrs. W. Paul Ward, the choir has been practicing for some time on several choruses of the Christmas portion of the "Messiah." About thirty voices will be included in the group on Sunday evening.

Zita Gamble McBride, of Oak Park, has been secured, through friendship with members of South Church, to sing the soprano solos for this event. Mrs. McBride is a well known soloist with considerable training and experience. For three years she sang with the chorus of the Civic Opera Company of Chicago. She is at present soloist for the large Riverside Christian Scientist Church in Oak Park. Mrs. McBride's lovely voice, her mature interpretation of religious music, and her long experience in public performances of oratorio music assure those who plan to attend of hearing excellent soprano solo work.

Gertrude Gressens, popular young vocal artist of the concert stage in Chicago, will be the contralto soloist. Miss Gressens is a production of the LaBerge Vocal Studios at the American Conservatory of Music. Although she made her concert stage debut only a year ago, Miss Gressens has already achieved an enviable reputation as a concert singer. She possesses a voice of rare quality combined with a large and brilliant register.

The South Church Choir, although itself a youthful organization, has acquired considerable fame for its excellent choral work. Those who attended the Christmas Cantata last year, and those who were present at the Good Friday presentation of Dvořák's "Seven Last Words" will not want to miss "The Messiah" on Sunday evening, as it will undoubtedly be the best effort of the group thus far. The added attraction of the fine guest soloists will make this a musical event second to none ever staged in Mount Prospect. The public is cordially invited to attend. There will be no fixed admission charge, but a free-will offering will be received to partially defray the necessary expense of such a production.

Protestant Missionary to China
The first Protestant missionary to China was Robert Morrison, sent out by the London Missionary society to Canton in 1807.

AMERICAN LEGION AUXILIARY NOTES

The December meeting of the Mt. Prospect American Legion Auxiliary, was held on Monday, December 12, at the home of Mrs. F. Jorstad.

The annual Christmas party, for underprivileged children, will be held in the public school basement on the evening of Wednesday, December 21. This party is to be given for all suburban units of 9th district. The district Community service chairman, Mrs. Long, will be in charge, and all chairmen in the area covered will assist. Each child brought to the party, will receive a gift and candy through the courtesy of the Times, and the units of 9th district, will furnish fruit.

Mrs. Bailey, National Defense chairman, read two articles, and as in previous years, a National Defense plate will again be purchased.

The ladies accepted a challenge from the Post to a bridge and pinch tournament, details to be agreed on later.

There will be no meeting of 9th district in December, nor will the unit meet until January.

Social hour and refreshments followed the closing of the business meeting.

Mount Prospect Merchants to give free show at Arlington Theatre Tuesday and Wednesday, December 20 and 21. Get your tickets from the following merchants: Busse Motor Sales, Landeck Dry Goods Store, Busse Grocery and Market, Hopper's Recreation. Doors open at 3:30; show starts at 4:00 p. m.

Men's Club Elects Officers

Permanent officers for the newly organized Mount Prospect Men's club were elected at the second meeting of the club last Friday night. The complete panel consists of Fred E. Welsh, president; Harold C. Meyer, vice president in charge of activities; Willis Hubbard, secretary, and Leslie K. Laird, treasurer. Ralph Busse and Fred Haas were elected as members-at-large of the executive board.

Formal by-laws were adopted and the meeting turned over to Capt. Jack Knight of the United Air Lines, who related a few of his more exciting experiences, showed a half hour movie on present day flying, and answered a barrage of questions for more than an hour before and during the "doughnuts and coffee" period.

The next meeting of the club will be held January 20.

WOLF CONTINUES FUEL OIL BUSINESS

E. E. Wolf, who has been distributing fuel oil in this community for the past eleven years and who recently severed his connection with Braun Bros. Oil Co., successors to the Mt. Prospect Oil Co., is continuing in the fuel oil business and is now associated with Lunoil Co., distributors of Cities Service Fuel Oil.

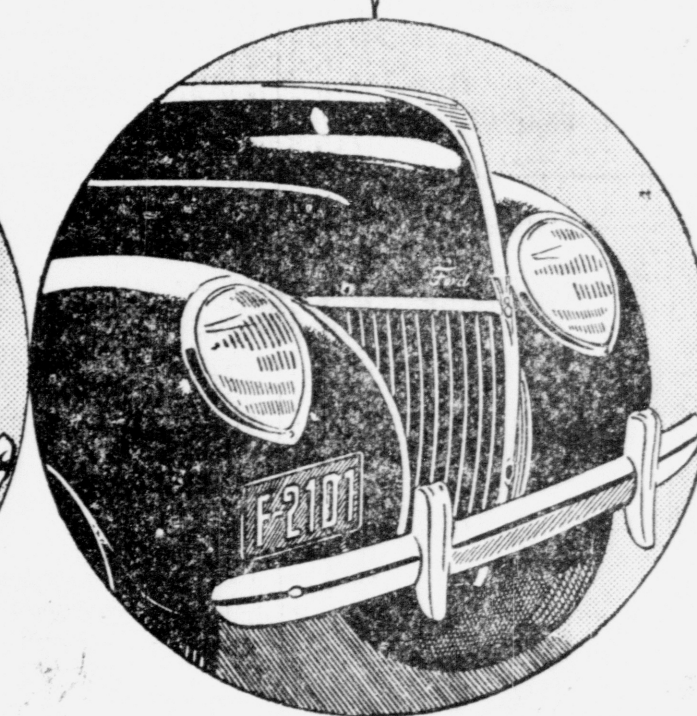

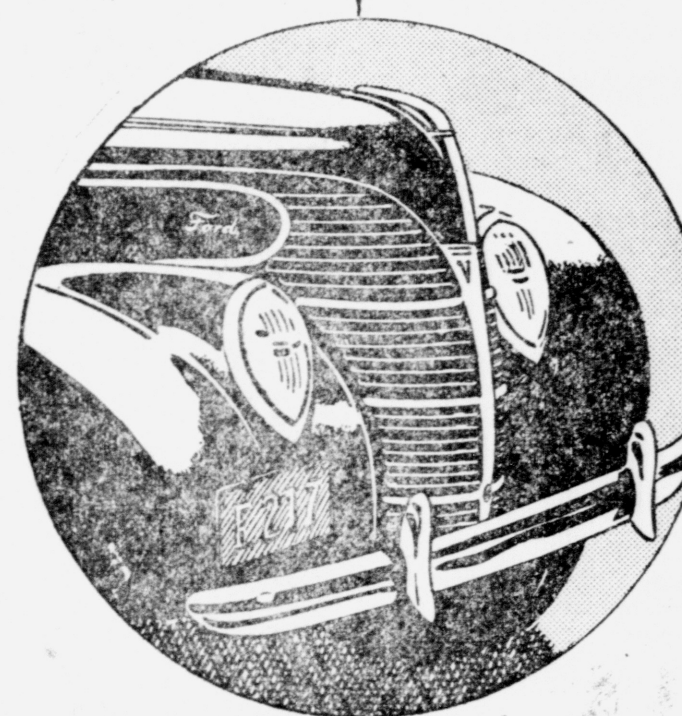

Mr. Wolf feels that during the years he has served the community, he has developed a host of loyal customers and friends and hopes to continue serving them in the same capacity.
